

What Knight Barry is doing to protect you, your customers, and our staff.

Knight Barry is committed to ensure your safety and provide you with the best possible service during this difficult time. We have implemented and posted a COVID-19 response plan on our website detailing the steps we've taken to protect our staff, offices and visitors.

For your closing experience, Knight Barry is offering remote closing solutions whenever possible for the safety and convenience of our customers. Please contact your Knight Barry closing representative for more information and assistance, as not all options are available at all offices.
